Call for Volunteers

Position: Committee Member: Governmental Affairs Committee (GAC)

Number of volunteers needed: Two to Five

Time Commitment: Initially, now through September 2016. Expectation that committee will have a need to remain this size, if not larger, to complete research and monitoring tasks (Estimate: 1-3 hours per month)

Committee Description: Overview: The GAC will monitor changes and trends in federal regulations that affect higher education and communicate these changes to the ACUA membership. The GAC will also maintain liaisons with relevant groups and respond to promulgating bodies as appropriate. Areas of research will include, but are not limited to, sponsored research, student financial assistance, environmental health and safety, athletics, and FERPA.

Task Description:
- Keep informed of proposed and final rules and regulations circulated by federal agencies and departments applicable to the ACUA membership
- Keep members informed of changes affecting their institutions in highly regulated areas through various membership forums available
- Solicit ACUA members for input, reaction, and impact of proposed federal regulations.
- To the best of its ability, keep informed of related efforts by other organizations (ACE, NCURA, EDUCAUSE, etc.)

Qualifications: ACUA member in good standing

Expectations: Participate in quarterly conference calls or provide written quarterly updates on assigned monitoring activity. Calls/updates may increase to monthly if required
