

External Assessment Volunteer Directory

Disclaimer

ACUA has compiled a list of members who have volunteered to serve as an independent reviewer or a member of an external assessment team. The list is maintained and provided as a member service. Please note that ACUA does not certify or endorse any individual listed. Likewise, ACUA takes no responsibility for issues arising between peer reviewers and the institutions being reviewed. To prevent misunderstandings, we recommend that all responsibilities be spelled out clearly in writing before any commitment is made.
